

## 5<sup>th</sup> Grade GVC's

What I need to know before I leave 5<sup>th</sup> Grade

1. I can write a 5-paragraph essay with relevant details that are supported by an accompanying text.
2. I can show comprehension ability by recalling important parts from an expository piece of writing.
3. I can read at least 130 words per minute or show 30% improvement throughout the year while reading aloud with limited or no mistakes.
4. I can show knowledge of basic grammar by correcting sentences with mistakes (capitalization, punctuation, proper commas, and apostrophes).
5. I can recall times tables up to 12x12
6. I can find the area, perimeter, and capacity of 2D and 3D shapes.
7. I can identify the Order Of Operations in a math problem and apply the strategies to solve the equation.
8. I can find the sum and difference of any two fractions with a simplified answer.
9. I can use the internet to conduct research for a report that will be published for an audience.
10. I can compare and contrast two or more different scientific concepts.
